

CRITICAL CARE ACADEMY - CME Hours

This program has been reviewed and is approved for a maximum of 22.00 AAPA Category 1 CME credits by the AAPA Review Panel. APP's should claim only those hours actually spent participating in the CME activity.

The following table shows the CME Credits for each of the 10 sessions of Critical Care Medicine Academy. The right column lists the amount of time allotted to pharmacology topics. We hope this table is helpful to you in tracking your overall CME and any pharmacology requirement.
